Why Was Jesus Born?

Christmas is of course the celebration of the birth of Jesus. Our secular culture downplays the significance of that by insisting that we merely celebrate the holidays. Nevertheless, we know that once a year on December 25 Christians celebrate the birth of Jesus. But, let us ask ourselves: why was Jesus born?

Let me suggest the answer by author of Hebrews, who writes in Hebrews 2:14–15, “Since therefore the children share in flesh and blood, he himself [that is, Jesus] likewise partook of the same things, that through death he might destroy the one who has the power of death, that is, the devil, and deliver all those who through fear of death were subject to lifelong slavery.” Here are a number of points to consider.

Jesus, who existed before his birth, “likewise partook of the same things,” that is, “flesh and blood.” Jesus, the Second Person of the Trinity, took on flesh and blood, and become fully man while remaining fully God. We don’t understand this, but we believe it.

The text goes on to say, “…that through death….” Jesus was born to die. Before he died, however, he had to live a perfect, sinless life. He had to obey every jot and tittle of the law that Adam failed to obey. And the wonderful thing is that Jesus succeeded where Adam failed!

Furthermore, the text says of Jesus that “he might destroy the one who has the power of death, that is, the devil….” The devil tempted Adam and through Adam’s fall into sin, death entered the world. But, Jesus by his death has destroyed the devil. The devil’s chief weapon against us is our sin. We deserve the death penalty. We deserve to spend eternity in hell for our sin. But Jesus died on the cross and, in our place, paid the penalty for our sin. That is good news!

That leads to the final phrase, “…and deliver all those who through fear of death were subject to lifelong slavery.” We were in slavery to sin and to Satan. But, Jesus freed us from the penalty of death and delivered us from eternal death.
Friends, that is why Jesus was born. Let us join this Christmas in singing with renewed understanding:

   Come, thou long-expected Jesus,
    Born to set thy people free;
   From our fears and sins release us,
    Let us find our rest in thee:
   Israel’s Strength and Consolation,
    Hope of all the saints thou art;
   Dear Desire of every nation,
    Joy of every longing heart.¹

A big thank you to everyone who contributed to our diaper drive for the Oasis Pregnancy Centers and to the coordinator for the drive, Karen Cross. Karen reports that we had a tremendous response as evidenced by her quick math. She figured that if the average cost of a diaper is $.20, TBPC donated 3,860 diapers with an estimated total cost of $772.00. The collection included newborn and sizes 1-6 diapers, 43 pull ups, 30 packages of wipes, and a wipes tub with five refills. Thank you all for your generosity.

The Women’s Ministry’s big event of the year, its 31st annual Christmas brunch, will be held on December 7 in the sanctuary. Last week we sold 50 of our 104 tickets. As I have always said, it takes a village to pull this event together each year and this year is no exception. Tusken Takk (or a thousand thanks) as the Norwegians would say, to all of the hostesses, servers, WM team, WM senior advisory group, the prayer team, greeters, music team, and to the speaker for their hard work and dedication. Also, a shout out to Melissa Bayley and Leslie Schmidt for their new Workshop Ministry. What a joy to see two ministries working together. Ten of us gathered to assemble and package the ornaments designed by Marianne Cali to reflect our speaker’s message, “Tamar, A Message of Hope.”

Happy Thanksgiving to all
First of all I would like to take this opportunity to thank you for allowing me to take over the Emptynesters Ministry.

We had a great turnout and a wonderful time at Texas Road House for our November lunch and I have some new and exciting places planned for our future lunches and fellowship times.

Please contact me with your email address at Jastod9291@yahoo.com or 813-600-0209 if you would like to get the reminders for the luncheons. We meet once a month on Sunday after church. Looking forward in see you all there.

Men’s Fishing Trip

On November 2, 2019, the Men’s Ministry had its fourth inshore fishing event located at the Gandy Bridge docks. We had 10 men and 1 young man attend the fishing trip this year. This was the most of any year we have done since hosting the Men’s Fishing Trip event before. We had to charter 3 boats this time and the fishing was incredible. Those present and on the fishing event from left to right picture were John Schmidt, Peter Rotolo, Brian Carrier, John Walley (Guest) Waldo Kemp, Jr. Fisherman Daniel Kemp, Ben Palmer (Guest). Lenny Chew, Freddy Fritz, Richard Thompson, and Michael Bridges.

It was an overcast day as the beginning of a cold front was moving in and kept the temperature to a very comfortable 68-75 degrees. We were told that with an approaching cold front we could possibly see the fish biting more than normal. That was certainly the case during the day as the fish were very lively. The day began by having to divide the 3 boats among the 10 men and 1 young man. The Lord provided really the best day yet for the men to enjoy some fishing. The Captains that guided our day was Captain George Jonah, who has been with us the previous years and chartered Boat # 1. Captain James on Boat # 2 and Captain Kevin on Boat # 3.

This trip was a very exciting day because as soon as we dropped our hooks in the water the fish began to bite. We were probably 3-4 miles out and we were catching a lot of trout almost immediately. We also caught some mackerel, lady fish, and even some snook as we also fished near shore. There was some grouper, flounder and even a puffer fish, snake fish and a needle fish that were caught during the day. The boats were constantly reeling in fish with John Walley (Guest) catching 19 fish and Ben Palmer (Guest) catching 18 fish reeling in the most fish of the day.
Captain George, James, and Kevin took us to only a few locations as the fishing actually became more frequent as the day went by. We do know that Boat #2 came in as the leader with approximately 56 fish caught for the day. Boat #3 came in with approximately 46 fish caught for the day. Boat #1 only had 3 fishermen on it and came in with approximately 24 fish caught. This gave us a grand total of 126 fish caught for the day by everyone. Wherever we went there was something biting on our hook. It was surely an incredible day.

The rest of the day we moved to a few different locations and saw how much more fun our junior fisherman Daniel Kemp was having. He has several pictures showing his catch and he even managed to catch a seagull on the line which Captain Kevin managed to untie and let him go unharmed. Daniel needs to tell some other young men in the church about how much fun he had. Hopefully next year we can charter 4 boats for the trip.

We also had our Grand Champion Peter Rotolo from 2 years ago hook one of the largest fish since we began the fishing trips. He was on Boat #2 and Captain James estimated that the fish was at least 33”-36” long. Peter unfortunately was fighting the fish trying to reel him in when the fish released the hook out of his mouth and he lost it. Peter, we know you almost had it, but it doesn’t count unless it enters the boat. Sorry!! It was truly an incredible day on the water catching an abundance of fish and enjoying friends and fellowship.
This year Lenny Chew was the big fisherman catching 16 fish for the day for TBPC and our Grand Champion for this year. Congratulations Lenny on a job well done. Lenny will be receiving his award for the first time at our Men’s Breakfast to be held at the church on December 14, 2019.

We finished about 1:00 p.m. and proceeded to lunch. The final finish to the day was to go to the local restaurant where all the men enjoyed a nice lunch together at The Hula Bay Club. There were a variety of items chosen with some seafood ordered, which was appropriate for the day.

The Men’s Ministry would like to thank all the people who participated in the men’s fishing trip and we hope we can hire 4 boats next year. If it is anything like this year, we are anticipating a lot of men and young men attending next year.

We would like to thank the men who attended the 4th annual inshore fishing event and look to doing this around the same time next year. We also hope that you men can make it to the Men’s Bible Study every Saturday morning at 7:45 a.m. which is led by our own Dr. Jeff Beams. The group is in the final weeks of the “Message of Creation” by Jack B. Scott. Thank you again for the support of the Men’s Ministry and Men’s Bible Study. Please note the we are having a Men’s Breakfast on December 14, 2019, at 8:30 a.m.
“And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near” (Hebrews 10:24-25).

Simple Soup Supper for Sunday Seconds.
Please join us at 5:00 p.m. on December 8, 2019 for the next installment of SSS4SS. Please RSVP on the pew cards with the number of adults and children who will be eating, kid-friendly options can be made available, by Sunday, December 1, 2019.
For last minute additions to the roster, or if you feel led to contribute soup, bread, or dessert to the festivities, contact Lesley Schmidt. Lesley may be reached at 904-687-7710 or jrs1ks92@yahoo.com.

Nametags.
It is time for the annual plea. Pretty please, with sugar on top, and puppy-dog eyes, could everyone wear nametags? It makes it a lot easier for guests to know who to ask where the nursery is, among other places.

Missing anything?
The kitchen dish collection is growing. Come on in and check the cabinet to the right of the oven if one of your serving bowls or platters seems to have wandered off.

Christmas Eve.
After the Christmas Eve Service on Tuesday, December 24, the TBPC family will share time and treats with our congregation and guests. Please bring a sweet or savory holiday goodie and leave it on a table in the narthex as you come into the worship center. The Hospitality Ministry will provide warm beverages in the kitchen annex.

Shopping list.
There is a shopping list available on the kitchen refrigerator. Please add to it as needed especially if anything is approaching empty. (We almost ran out of coffee, last month. There could have been a riot!) Also, feel free to replenish kitchen supplies from the storage room next to Freddy’s office. We keep spare paper and plastic products on the left side of the room.

We had a wonderful response for our ESL Thanksgiving Party! Eighteen students and seven volunteer teacher/helpers were in attendance. Normally we divide into three classrooms, but for our Thanksgiving Party we all met together.

All students and volunteers prepared a complete paragraph in English describing what they were thankful and grateful for; many passed around a photo to accompany their paragraph.

Everyone shared where they were from and how long they had been in the United States. We all prepared and brought a covered dish from our country of origin. We had an absolute feast! It was an opportunity to try food from other cultures. Everything was delicious!
One of the highlights of this Thanksgiving Party tradition is getting to know each other better on a personal level, and to share how grateful we are to know and help each other. We are all so grateful to God for this very special mission.

If you are wondering what ESL is all about, please sit in with us and observe what we do on Wednesday afternoons from 1:30pm - 3:30pm!!!

Connecting TBPC to the mission field, both locally and globally, through prayer, sending, and support

Missionary Care – Christine Probes, the Missions Committee Prayer Coordinator, has been contacting ministry leaders to encourage their ministry to “adopt” a missionary to pray for and encourage. We are also asking our missionaries to communicate more often with their specific and immediate prayer concerns and praises. We anticipate that these efforts will better inform our prayer warriors of current needs, and enable our church family to receive time-sensitive prayer requests from the Missionary of the Week that is highlighted on the Intercessor prayer list and prayed for from the pulpit during each Sunday worship service. Be aware that our missionaries toil under hard circumstances and covet our prayers. Their spiritual battles are the same as the ones we encounter, but without the comforts we have; such as family, Christian friends, and corporate worship and fellowship.

Operation Christmas Child – Sunday, November 10, was the last day to bring all financial donations, filled shoeboxes, and items for the Packing Party hosted by Kristine Wyss and Christy Almonte. Thank you for your very generous support for this fall project to send the love of Jesus Christ to children through these shoeboxes. Everyone seemed to be involved – our children during Sunday School and Friday Fun Nights, adults, families, ESL students and NTCA families. The latter returning over 20 filled shoeboxes. A generous donor covered the shipping expenses for 33 shoeboxes. Surely, our church family has been blessed to be a blessing to children who will receive the shoeboxes. As I write this article, we do not have a total for donations and will report on that in the next issue. Sunday, November 17, was Celebration Sunday, when Pastor Freddy prayed over the shoeboxes. During Samaritan’s Purse’s National Collection Week, folks volunteered to take our shoeboxes to designated churches. From there, the shoeboxes will be shipped to North Carolina where thousands of volunteers will inspect and prepare the shoeboxes for international shipping. Long before shoeboxes arrive in more than 100 countries this year, volunteer National Leadership Teams have been training pastors and community leaders who want to share the Gospel and bless children. Next on the schedule are the outreach events in churches around the world where the Gospel is presented as the shoeboxes are distributed. Please pray that the children receiving our shoeboxes will learn about God’s greatest gift, Jesus Christ.

Proposed Summer Missions Trip – The Missions Committee is actively pursuing the possibility of participating in a short-term missions trip to Jamaica next summer with another church. We have to wait for several approvals on this project – be patient and pray that perhaps you may sense God’s calling you to go on this mission.

RUF USF Dinners – We will probably be asked again next semester to provide a dinner for Rev. Newman’s Sunday night leadership meeting or Monday evening Bible study with students in their home. When the schedule is available, we will share it with you. This is a great opportunity to help Andrew and Meghan in a practical way. They live near the USF campus and greatly appreciate receiving these meals from volunteers.

**New Harvest Missions International Strategic Plan 2019-2021, Gift of Love for Muslim West Africa** – Rev. Nathaniel Adawonu has sent us this material and copies are displayed in the Narthex for you to review. You can also visit [www.NewHarvestMissions.org](http://www.NewHarvestMissions.org). NHMI has various opportunities to help Christians in Muslim West Africa. They range from Bridge of Hope that helps sponsor vulnerable and underprivileged children to attend school and gain education, to Auxano, a microloan ministry through which individuals are helped to start small businesses and establish sustainable incomes built on the solid foundation of Christ. Another opportunity to donate to is for the construction of the Bible and Theological Institute for Francophone West African pastors and church planters. NHMI’s vision for church planting in Northern Togo places a high priority on maturing and growing the church holistically through effective discipleship. These trained leaders will plant healthy, God-centered Gospel-driven, grace saturated churches in Muslim West Africa.

**Togo Trip** – Richard Hunter, a New Harvest Missions International (NHMI) Board Member, was a guest speaker at our November Missions Committee meeting. In September, Richard visited Togo for 5 days to get a first-hand look at the work being done there by NHMI. He shared with the committee facts about this impoverished West African country, which is a Muslim evangelistic target.

OPERATION CHRISTMAS CHILD
GOAL – 100 SHOEBOXES

Thank you for your generous financial support and abundant donations to our fall project, Samaritan’s Purse’s Operation Christmas Child. We exceeded our goal – 105 shoeboxes were filled. Everyone participated – children, adults, New Tampa Christian Academy families, and English as a Second Language students. All expenses were covered, thanks to the money you donated.

I want to thank Christy Almonte, Children’s Ministry Director, for partnering with the Missions Ministry to bring this project to our church family. Your children participated during the October and November Family Fun nights, and also in Sunday School doing a project for the shoeboxes. See photos of the children making prayer cards for the shoeboxes.
I also want to thank Kristine Wyss who volunteered her expertise to lead our Packing Party on Saturday, November 16, and thank you to everyone who came to fill shoeboxes. We received mountains of toys, school supplies, hygiene items, clothes and sandals that had to be sorted first before being boxed up. We prayed for each shoebox before loading it onto a cart to take to the sanctuary. See photos of the Packing Party.

Every shoebox packed for Operation Christmas Child gives Samaritan’s Purse an opportunity to reach one more child with the Gospel of our Lord and Savior, Jesus Christ. On Sunday, November 17, Pastor Freddy prayed for the children who will receive our shoeboxes.

Kristine took our shoeboxes to Bridgeway Church, one of the local drop off locations, and from there the shoeboxes will be sent to Boone, NC, where thousands of volunteers will inspect and prepare shoeboxes for international shipping to over 100 countries. We don’t know where our shoeboxes will eventually land next month, (unless you paid online and printed a tracking label), but we do know that we stepped out in faith, poured our resources into this ministry, and prayed that the child who receives one of these shoeboxes will fall in love with Jesus Christ and trust Him as Lord and Savior.

Please pray that our shoeboxes will become like the fruitful seeds in the parable of the sower that “fell on good ground, sprang up, and yielded a crop a hundredfold” (Luke 8:8).
